Her father s response was a warning to steer clear of him; he told Bo: Curiosity scribbled the cat. Nonetheless, Fuller began her strange friendship with the man she calls K, a white African and veteran of the Rhodesian war. It is a strange journey into the past, one marked at once by somber reflections and odd humor and featuring characters such as Mapenga, a fellow veteran who lives with his pet lion on a little island in the middle of a lake and is...
